Dated 17-9-1953.

[Despatch Abstract.]

Tungabhadra Project – Dam – Construction. Fixation of correct division point for work and cost – Ratified.

(Abstract).

TUNGABHADRA PROJECT - Dam - Construction - Fixation of correct division point for work and cost - Ratified.

PUBLIC WORKS DEPARTMENT.

G .O.Ms.No. 3770. Dated 17th September 1953.
Read the following:-

From the Chief Engineer (Irrigation) No.1233/46.P.28 dated 28-10-1952.
From the Government of Hyderabad No.2145 dated 15-7-1953.
From the Chief Engineer (Irrigation) No. 421/53-S-15, dated 14-8-1953.

-:-

ORDER:

The Chief Engineers of Madras and Hyderabad Governments have fixed L.S. 3072 of the Tungabhadra project dam as the correct point for division of the cost of construction of the dam between the two Governments. With the concurrence of the Hyderabad Government, the Government of Madras hereby ratify the fixation of the correct division point at L.S. 3072 of the dam.

2. It is observed that in fixing the division point to secure half the cost of the dam, items such as (1) Manufacture of spillway gate with hoists arrangements, operating bridge and cranes etc. (2) River diversion works, coffer dams etc. and (3) Compensation for reservoir water-spread have not been taken into account and that separate estimates will be prepared for these items and the expenditure shared equally between the two Governments. The Chief Engineer is requested to report at an early date, the action taken for the allocation of the expenditure on these items between the Governments of Madras and Hyderabad.

(By order of the Governor)

V. Venkatrayudu,
Deputy Secretary to Government.

To

The Chief Engineer (Irrigation).
The Accountant General, Madras.
Copy to Mysore Government.
